3 bedrooms, Two design proposals for the project, built 235 m2. Plot 500 m2, Sustainable Energy Homes.

Villa for sale in Estepona

Description

Eco awareness co-exists with stunning contemporary aesthetics within masterpiece villa designs.

VILLA PROJECTS INCLUDED ALL "TURNKEY" 6-8 MONTHS. Design and function executed using the finest choice of natural materials applying the latest green technologies and sustainable practices.

Sought after areas in Estepona, a prestigious residential area surrounded by high end villas and townhouse properties. 450 m to the beach. 2 km to Estepona town. Two design proposals for the project. As seen as a 2-level villa, or as a 3-level villa with the addition of an under-build. There is also an option of adding a roof terrace or basement to either proposal, to maximise and take advantage of the sea views. Easily accessible. 24 golf courses within 20 km. 24 mins. to Puerto Banus.

Benefits:

Huge reductions on energy bills.

A healthier living environment.

Thermal and acoustic insulation.

Bi-directional air flow.

Optimum internal temperatures all year around.

Installation of a renewable energy heating and cooling system.

Accuracy in timescale. Our villas are built quickly. (6-8 months).

An all-inclusive "key in hand" villa project. No hidden extras.

Competitively priced with premium finishing.
